Chef Dave's Message - Bonjour Voyageurs!

THANK YOU, FRANK, for your 46 years as our Correspondant! You've witnessed a lot of change in our Voiture. Sadly, through no fault of your own, our membership has steadily declined, but without your dedication toward retention, our decline would have been a lot worse than it has been. Aging is one thing we can't control, but by providing a welcoming environment, you've managed to keep our membership coming back month after month. Your leadership position may be filled by another, but your leadership and mentoring will continue to provide our Voyageurs unmatched guidance. Grab a cup, head out to your porch swing, and take a well-deserved break. Thanks again, Frank.

NEW CORRESPONDANT

Let me present to you, Michael (Gags) Gallamore. Gags has agreed to take on the Correspondant's position and will be reaching out to each of you as we start our membership card renewal process. Please help him by returning your renewals in a timely manner.

GET YOUR NEWSLETTER IN YOUR EMAIL BOX

In addition, as we become more ingrained in the technology world, please consider receiving your newsletter electronically. All we need is your email address. Send me your address at:

Postage continues to rise, but it costs nothing to send your newsletter to your email address. This will save our Voiture a LOT of money each quarter, while still providing you with the same information you have been receiving in your "snail-mail" box.
