## Commander— Christopher Hile

Happy September, everyone.

I am proud to report that our post now has two new AED devices, provided by the Deaconess Foundation. The updated equipment is easy to use, and several post members are already familiarized with their use.

Moving forward, we are looking to procure CPR, AED, and Narcan training for our employees, officers, and certain Post Mem-

bers.

I would like to extend my heartfelt thanks to my fellow Legionnaire's, SAL, and Auxiliary members that continue to work alongside me, maintaining and improving our post. Your efforts do not go unnoticed.

Lastly, I would like to reach out to any of our members that struggle. Times are hard on everyone, but not everyone is equipped to handle extreme stress and depression. Remember that you are not alone. If you are struggling, don't hesitate to reach out to your family here. Some burdens are better carried by many. "I would rather listen to you speak about your battles, than to hear you lost the war."

We're all in this, together.

SGT Christopher Hile, U.S. Army (RET)
