Time and occasions for display of American Flag

It is the universal custom to display the flag only from sunrise to sunset on buildings and on stationary flag staffs in the open. However, when a patriotic effect is desired, the flag may be displayed twenty-four hours a day if properly illuminated during the hours of darkness.

The flag should be hoisted briskly and lowered ceremoniously.

The flag should not be displayed on days when the weather is inclement, except when an all-weather flag is displayed.

The flag should be displayed on all days, especially on

Honor Guard

Veterans, have you ever considered becoming a member of the Post honor Guard? Remember the old slogan, “Uncle Sam wants you!”? Well, your Post Honor Guard wants you! The current group is mainly made up of Veterans over the age of 70. We are fortunate enough to have few members that are young and we are happy they turn out every opportunity they have but day in and day out, we need additional members.

The Kapperman Post Honor Guard offers their services at funerals of fallen veterans, whether they belong to our Post or not. Because of this, it seems that we have the most active Honor Guards in our area. Members of the Honor Guard are furnished their uniform and members only provide their shoes, belt and cover. Not everyone can make every funeral, presentation of Colors, or any other type of request. We just ask that you do your best to make as many as possible.

Families of the Veteran always appreciate our services, but I will guarantee you, it will give you a feeling of pride each time you put on the uniform! You can get more information from Walt Kalesia, Ken Head, or any member of the Honor Guard.
